Meeting called to order at 7:00pm

Attendees

Committee members: Craig Hansen, Amanda Huntington, Deb Fountain, Steve Temple, Grover Pillsbury, Dave Herman, Dave Lavender

Not in attendance: Bill Greathead, April Healey

Guests: Brett Peltier (consultant), town residents

Last Meeting/ Follow-up

Craig Hansen provided town residents in attendance an overview of where we are and our process of gathering/analyzing data. The committee answered their questions as they were asked throughout the meeting.

Bill Greathead had the leaking gas valve fixed for ~\$100.

Dave L asked about the Veterans group the expressed interest. However, after their initial inquiry they have not responded to any further correspondence.

New Business

1. Dave Herman offers sound for our upcoming data analysis meeting. The committee thanked Mr. Herman for this generous offer.
2. Brett Pellier reviewed his draft report regarding the PF building preferred uses. This report offers extensive data and comp projects for comparisons. He has agreed to share the information at the upcoming mtg.
3. Deb Fountain's "proposed PFS Report Framework / Status" was updated and is being prepared for our upcoming town wide data analysis meeting on January 26th.

Steve Temple made a motion to adjourn. Dave Herman seconded. Motion passed unanimously.

Meeting adjourned 8:49 p.m.
