Re: Policing Needs Assessment

Priyanka,

After your first six months of operation, the police department has noticed very little if any impact on traffic and/or parking in the area of Uma Flowers. I do not see the need for any additional policing at your establishment at this time. If you were to hold a major event that would impact parking and/or traffic, I trust that you would let us know in advance.

Sincerely,

David J. Scott
Chief of Police
Pepperell Police Department
